

# Cases

**Cases have been designed to transport a Pop Up system in a very safe way.**

We offer you 3 different models to transport a complete pop up (frame, magnetic bars, graphic panels and spotlights).

## EcoLCase

Heavy duty wheeled case. Counter convertible without tools. Transports up to a 6x3 complete pop up system.

## MCase

Heavy duty wheeled case for a 4x3 complete pop up. Counter convertible.

## M2Case

Specially designed to transport Mini systems.

# Reinforced Drums

**Reinforced cardboard drums protected with heavy duty fabric, are the most economical option for a safe transport.**

We offer you several sizes to carry our systems at a very convenient price.
